'Street Beat'
for our CD Review

More to come

A Touch of Class play The Femmuse in Hollywood with such great names as Shredmistress Rynata voted best female rock guitarist in the west two years running also Lotus Reign, PinkSlip, Eileen Carey, Lauren Adams, Jessica Stone

A Touch of Class are a British Rock band based in London/Luton , The band play their own songs and have a CD and T-shirts which are usually available at gigs... or enquiries by e-mail.

The band has been in the national music press such as the melody maker, making music and break thru mag and have been compared to such bands as Blondie, Fleetwood Mac and ZZ-Top

Did you See us on TV..
We appeared on Showcase TV now on Sky Channel 208
